We have three airports in our area. They are:

- 📍 **Asheville Regional Airport (AVL);** Asheville, NC (20 minutes)
- 📍 **Greenville/Spartanburg Airport (GSP);** Greenville, SC (50 minutes)
- 📍 **Charlotte Douglas International Airport (CLT);** Charlotte, NC (120 minutes)

A rental car is necessary due to the distances from either airport to the hotel and from the hotel to the conference center.

START TIME? WHAT TO WEAR? WHAT TO BRING?

📍 What time do we start?

The formal programs start at 8:31am SHARP! However, it is STRONGLY advised that you arrive around 8am to get settled to be courteous and conscientious of others, as well as to get all pre-program “sign-in” things completed. We will end Day 2 at 3:59 pm.

📍 Wear comfortable clothes!

This is about knowledge and not fashion! Wear comfortable LAYERED clothes since it is difficult to make the room temperature right for everyone. We want you to be in a great state of mind and relaxed.

📍 Bring a calculator. Bring a laptop.

If you have a laptop computer, you might want to bring it too. As certain tools are discussed, you can access them. Having a laptop is nice, but it is not necessary...but in the modern world why not? You might also consider bringing the management statements you actually use to manage your hospice. You may want to reference them or discuss them.

📍 Bring an energized and enthusiastic spirit!

This is a rewarding adventure. You will learn a great deal from this experience!
